PROFESSIONAL SUMMARY

BCA graduate with expertise in Data Science and Analytics, proficient in Python, JavaScript, Flutter, and more. Experienced in developing cross-platform apps, analyzing datasets, and delivering actionable insights. A proactive leader passionate about solving real-world problems and fostering collaboration.

TECHNICAL SKILLS

- **Programming Languages:** Python, Java, Scala
- **Data Analysis:** Numpy, pandas, Matplotlib, Seaborn
- **Data Visualization Tools:** Tableau, Power BI
- **Machine Learning:** Scikit-Learn, TensorFlow
- **Artificial Intelligence:** NLTK, TensorFlow, Keras, OpenCV
- **Big Data Technologies:** Hadoop, Spark
- **Databases:** MySQL, MongoDB
- **IDE:** Visual Studio Code, Jupiter Notebook, Google Colab, PyCharm, Eclipse, IntelliJ IDEA, NetBeans.

EDUCATION

Bachelor of Computer Application

ISS Arts and Science College

Jun 2021 - May 2024

Perinthalmanna, India

Computer Science

GMHSS Perinthalmanna

Jun 2019 - Mar 2021

Perinthalmanna, India

CERTIFICATION

Diploma in Data Science

SMEC Labs

Jul 2024 - Jan 2025

Ernakulam, India

PROJECTS

- **Event Management Application**
 - Developed a cross-platform event management app using Flutter.
 - Streamlined event creation, registration, and management features.
 - Enhanced user convenience and improved event organization efficiency.
- **Spotify Music Insights Analysis**
 - Conducted a comprehensive analysis of Spotify's most-played tracks dataset.
 - Delivered insights into musical trends, user preferences, and playlist dynamics.
 - Provided actionable insights for artists and streaming platforms to optimize engagement.

INTERNSHIPS & WORK EXPERIENCE

Flutter Developer Intern

Softtroniics

- Developed cross-platform mobile apps using Flutter, focusing on performance and UI enhancements.
- Integrated Firebase for backend services, ensuring smooth data flow and real-time updates.
- Optimized app performance by fixing bugs and improving stability, contributing to the successful completion of internship projects.
